

# Babyanne's Mansion

**Manila, Philippines - January 16-31, 2010**

A short term missions trip

Come and join this exciting trip! Please pray and ask God as to whether He is calling YOU to go across the world and show His love!

The Team's purpose is to show Christ's love by painting the interior of Babyanne's Mansion, landscaping & fence building to be completed for official opening on March 6th.

Construction and/or painting experience, artistic ability/decorative painting experience, a love for gardening, would be helpful as we create child friendly rooms, landscape and fence the exterior and decorate the house in a child friendly manner.

The most important qualification is a desire to be used for God's glory!

The team will be partnering with FISHERS International Ministries and working closely with them to reach their goal of providing a loving home for neglected, abandoned, and orphaned babies and meet their specific needs in a Christ-centered environment.

You will not want to miss this trip!

Application forms are available at the Info Desk or on the CAC Website (Missions Page). Forms are being accepted through November 1st, 2009 to ensure good airfare rates. Cost of the trip is approximately \$2,200 per person, depending on airfare.

First "All Team Meeting" is 1pm on Sunday, November 8th in the Mariner Room. All those who have applied or are seriously considering the trip should plan to attend.
