MISSION STATEMENT

Our goal is to build a ministry in the Philippines by providing a loving home for neglected, abandoned, and orphaned babies where their specific needs are met in a Christ-centered environment.

Frances Dela Pena, Joy Licud, Margaret Ho

WHO WE ARE . . .

In May 2002, the founders of F.I.S.H.E.R.S. Ministries (above) went on a mission trip to the Philippines where they visited two orphanages and a children's hospital. This experience confirmed God's calling in their lives to help restore hope in the life of a child by building an orphanage.

In July 2004, Margaret "Babyanne" Ho, one of the founders of the F.I.S.H.E.R.S. Ministries, passed away. In memory of her, the orphanage is named "Babyanne's Mansion."

OUR DESIRE . . .

- To build a home where orphaned children experience unconditional love and care.
- To see the value of every child's life restored.
- To "train a child in the way he should go, [so] when he is old he will not turn from it." (Proverbs 22:6)
- To develop every child's potential by bringing out their God-given talents.
- To give the children the best upbringing possible by choosing professionals who excel in their field.
- To provide an opportunity for the children to be adopted by a Christian family either locally or internationally.

THE DREAM

Jennifer Fresco

Having grown up in the Philippines I have seen firsthand how unwanted babies are left in garbage cans, abandoned outside homes and churches due to the lack of resources to support and give their child a good life. I have always had the deep desire to adopt children because of the growing need and poverty that I witnessed.

As a child I often prayed and dreamed about having a home where children could experience love and care from dedicated Christian workers. Coming to Canada enabled me to work with children through various opportunities which deepened my desire to pursue the calling God has put in my heart. I believe that real hope can only come from Christ. Babyanne's Mansion is a Christ-centered residence that aims to not only give children immediate aid but an eternal hope.
